GEMSYS & TIMS CAMPS

Counting change and Changing Lives

Tim Hortons® Foundation Camps is excited to announce a new partnership with long-time supporter Gemsys Money Handling Systems Inc. Over the years, Gemsys' has supported Tim Hortons Foundation Camps in processing over 4 billion coins, helping to send over 300,000 kids to camp, and change their stories for the better.

Throughout 2021, 10% of all purchases or leases of the Gemsys **DTC-6 Coin Sorting and Wrapping Machines** will be donated to Tim Hortons® Foundation Camps. This efficient machine will help restaurant owners and their staff to count, sort and wrap all coin denominations quickly and accurately, helping to count your change and ultimately help kids change their stories.

To learn more about the benefits of the DTC-6 Coin sorting machine and this exciting initiative, visit www.gemsysinc.com and be a change maker for Tims Camps.
